Annual Leave and Public Holidays

How many days

Every full-time employee gets 25 working days of paid annual leave per calendar year. After every 5 full years with the company you get 1 extra day, up to a maximum of 30 days. Part-time employees get leave in proportion to their working time. In the first year, leave is counted from the start date in proportion to the months worked.

Requesting leave

Request leave in the HR portal "Peak" at least 2 weeks in advance; for leave longer than 10 working days, at least 4 weeks in advance. Your manager answers within 3 working days. In the warehouse, no more than 2 people per shift can be on leave at the same time.

Carrying over leave

Up to 5 unused days can be carried over to the next year. Carried-over days must be used by 31 March; after that they expire. Leave cannot be paid out in money, except when employment ends.

Public holidays

Public holidays are paid days off according to the law of the Federation of Bosnia and Herzegovina. Employees who work on a public holiday (for example in the showroom during the sale) get double pay for those hours or a day off within one month, as they choose.
