Performance Reviews and Salary

Reviews

Every employee has a performance review twice a year, in March and in September. You and your manager look back at your goals, give each other feedback and agree on goals for the next six months. The review is saved in the HR portal "Peak".

Salary increases

Salaries are reviewed once a year, in March. Increases take effect from 1 April.

Salary bands 2026

Gross monthly salaries in BAM for full-time employees. Where you are within a band depends on experience and performance.

Level	Example roles	From	To
L1	Warehouse assistant, showroom assistant	BAM 1,400	BAM 1,800
L2	Customer support agent, warehouse lead	BAM 1,800	BAM 2,500
L3	Buyer, marketing specialist, developer	BAM 2,500	BAM 3,600
L4	Team lead, senior developer	BAM 3,600	BAM 5,000
L5	Head of department	BAM 5,000	BAM 7,000

Bonus

If the company reaches its yearly sales goal, every employee who worked the whole year gets a bonus of one extra monthly salary in December.
