Travel and Expense Policy

Booking business travel

All business trips must be approved by your manager before booking. Book trains, flights and hotels through travel@northwind-outdoor.example. Flights are booked in economy class; hotels up to 3 stars.

Daily allowances

For every day of a business trip you get a daily allowance for meals and local transport. If a meal is paid by the company or included in the hotel, the allowance is reduced by 20% for breakfast and 40% for lunch or dinner.

Destination	Daily allowance	Hotel limit per night
Bosnia and Herzegovina	EUR 25	EUR 70
Croatia, Serbia, Montenegro	EUR 40	EUR 90
Other EU countries	EUR 60	EUR 130
Rest of Europe	EUR 70	EUR 150

Trips shorter than 8 hours get half the daily allowance.

Using your own car

If you use your own car for business trips, you are paid EUR 0.30 per kilometre. Write down the start and end mileage for every trip.

Expense claims

Submit expenses in the HR portal "Peak" within 30 days after the trip, with a photo of every receipt. Expenses without a receipt are not paid. Approved expenses are paid with the next salary.

What is not paid

Alcohol, fines (for example parking or speeding tickets), first-class upgrades and personal entertainment.
